# Die Siedler 3 Windows 7 Free Download

December 23, 2014 - I renamed "s3.exe" to "Siedler3.exe" and now instead of NOTHING I get an error message box. "Kernel32 call does not point to .exe is an executable file. There are no signs of errors, but Windows still crashes." Unfortunately I have no idea how to make it work again... I tried everything I could, including reinstalling Windows. I had to use "safe mode" and disable all programs, but nothing helped. This also happens with other programs such as
