
Any one want code - Archicad Community

How to get Archicad 16 or Archicad 16 Serial Number? I've finally installed Archicad 17 on my 17.5" MacBook Pro, and as of now (after the software download and simple installation), I have no 3D capability (the ArchiCAD 8 serial number message pops up). Any ideas how to fix this?. Description: This software gives the opportunity to place your images on the screen allowing to change or rotate them, this can be done using tools directly on your screen.
