Age of Empires HD Edition Remastered is a remastered version of the game in which a lot of the graphics have been reworked. The developer has also made sure it runs smoother and the menu and controls are kept the same. The Windows version of Age of Empires was only released in Windows 95. The Mac version was never released due to the birth of the iPhone and iTouch. The game is definitely timeless because even though the game's graphics are low quality, it is an excellent game. Even now it is still one of the best strategy games to play. Make sure you look into what HD videos are available for your country. Read the description before you go and join a battle. You will be better off. Unfortunately, there aren't many HD videos. I made sure to avoid having any spoilers. I stayed out of the comment section. Another fantastic point that should be considered is that games that have not been updated for a while take advantage of
