Atlas Shrugged Part I Torrent Download NEW!

Starring: Kristoffer Polaha. John Galt ;l aura Regan. Dagny Taggart; Rob Morrow. Henry Rearden; Peter Mackenzie. head of state Thompson; Greg German. James. Rig. Jack White. There are a lot of positive characters in the film. But there are also negatives too. But they are all very well drawn and disclosed. I think everyone will like this movie. I watched it three times. And every time I discovered something new. After all, in this film, as in life, there is love and hate. And everyone does it their own way. Someone kills, and someone saves. But everyone loves and hates. And that's why there is not a single goodie here.
