---

. And, you know, if you now thought that this is not my business, then I will tell you that this is not my business and I want to convey to you that you are a very happy person, since you came into this world to follow this path to the end. And, if you are now worried that this path will be difficult and it will be difficult for you, then I tell you that it will be very difficult for you only at first, and then you will look with joy at the path traveled and thank God for the fact that he I gave you.
