Go to the downloaded file and extract the files. 2. Double-click the "setup.exe" file and follow the instructions. The St. Peter Community House is a non-profit, independent, mission-driven organization that provides food and shelter to the homeless and non-English speaking residents of the city's Seventh Ward, as well as the St. Peter neighborhood. The mission of the St. Peter Community House is to reach out to the community of St. Peter and others to help alleviate hunger, homelessness, and prevent and end poverty in their lives. The St. Peter Community House operates with an annual budget of approximately \$5 million and receives grants, donations, and other financial support from individuals, organizations, and corporations. Fundraising in support of the mission of the St. Peter Community House includes holding events throughout the year, including the annual Blood Drive, Applefest (a free food and music festival), the Community Market (a flea market held on the first weekend of October), and the Wine, Cider & Music Festival in November. Our mission is to provide a safe and welcoming place for all residents of the Seventh Ward and St. Peter to find food and shelter, care, and support. 1. Field of the Invention The present invention relates to a hydraulic circuit of a transmission and more particularly to a hydraulic circuit for a transmission of a
