In this mode, one player acts on behalf of the Autobots and the other on behalf of the Decepticons. Players can change the appearance of their characters. To do this, you need to build up your hangar. In the hangar, you can create more than 20 units from one to seven creatures, depending on the chosen difficulty level, or buy ready-made teams. Players can choose between several game modes, both single player and multiplayer mode. As you reach the definition
