
Human Resource Management Book By Subba Rao Pdf 240

BUS325: Principles of Human Resource Management This is a one-semester course during which you will notice that some of the textbooks include a combination of factors - employee motivation, personnel management and human resource management. For people familiar with personnel management and enterprise management, theory and practice are a single interrelated discipline. This book brings together theory and practice without letting you get confused by the terminology. For those who have never heard of human resources, the book can also be a source of new information and a new point of view. Key principles include: • What is human resources. •
