
Touchstone Cambridge Classware Full Version

July 20, 2012 - Touchstone is an innovative new series for adults and young English learners. It is based on extensive research by Cambridge International. This is a new approach to learning English words that helps you improve and maintain your knowledge of a variety of English words, from the most basic words to the most difficult ones. This unique learning

process will allow you to improve your vocabulary, improve your pronunciation and, last but not least, learn how to use new words in different contexts. You will improve your speaking skills and learn how to speak English easily and naturally. The Touchstone Series is based on the following principles:
