Heroes Folder Dock Icons Download

This is a fantastic dock icons collection which is available in two variations: default and customizable. The default version includes 8 unique dock icons and the customizable version includes 16 icons, each containing 5 variations. So, if you wish to buy just one single icon pack, then you can opt for this very pack. However, if you want to try some of the best and unique icons for your folders, then you can opt for the customizable version of Heroes Folder Dock Icons. Features: Fully customizable dock icons, suitable for iPhone, iPod touch and iPad. 8 Dock icons come in different sizes and resolutions. Can be used to customize the default look of your folders. The folder dock icon for Gmail and iCloud have been included to show the theme in use. The dock icons provide unlimited free updates for a lifetime. High-quality PNG and PSD files. Note: All the aforementioned images have been hand-picked and verified by the experts of the desktop backgrounds section. The images are available in transparent (.png) as well as standard (.psd) format. You may download the images at the time of purchase, however, the download size is quite large. Hence, before downloading you must make sure that your internet speed is enough to handle the large file size. You can download the PSD files and manipulate them to suit your needs. It is suggested that you use Photoshop to do the manipulation. You can drag and drop the PNG icons and modify them to suit your needs. You can also use Photoshop or any other image editing application to modify these icons according to your image editing needs. If you have any question, you may refer to the help documentation enclosed with the package. Please note: This is a Photoshop layered PSD. Files must be opened in Photoshop and saved as a layered PSD. This pack is exclusively for desktop use. So, you may not use the package on your mobile or tablet device. All the file names have been changed to comply with the newest Apple naming convention. So, please re-name the folder icons to make them unique. You can get this amazing pack of dock icons from the link provided in the below download section.
