share their gluten-free experience is “How did you know to try that?” That’s because the aisles of many grocery stores are populated with products from a number of trusted gluten-free brands. However, in this day and age, education is critical to the success of any gluten-free enterprise. Many of us have experienced our first bout with gluten-related gut distress, and even some of those of us who were put on the path to change in this regard, still need to go back to school on how to avoid the pitfalls of gluten. Transitioning to a gluten-free diet is a big change and means changing a lifestyle. Most families are not gluten-free because it’s a fad; they
