
Weathering Magazine Issue 03 Torrent

The third issue of Weathering Aircraft, your favorite painting and weathering modeling magazine, is here. In this release, our . We continue our journey into the world of weathering and continue our review of the methods of working with weathering material so that you can evaluate their advantages and disadvantages. In this issue you will find a lot of useful tips on carrying that will help you in your work. Also, we've included some helpful tips to help you solve your winding problems. In the next issue, you will also find our recommendations for refinishing aircraft that have been painted with weathering paint.
