September 21, 2007 â€” Hello friends, I have a drawing book for Indian clothes. I have my own notes that I took when I learned to embroider, but those . which I found in this book, I'm sure can help you. First you need to choose a size. I think 40 inches is the size for kids and 50 is the size for adults. Then it should be noted where to start embroidery. I do this with a line through the center, but it needs to be even and wide so you don't have to sit too long doing the stitches. You need to embroider in four strands of floss, using only red and
